PROFESSIONAL SUMMARY

Mechanical Engineering graduate with experience in vendor coordination, technical submittal management, and procurement documentation review for a major infrastructure project, backed by SAP and quality-control exposure from an internship at Heidelberg Materials Bangladesh PLC. Proficient in MS Office Suite, with strong analytical and record-keeping ability. Well-positioned to support purchase requisition, PO tracking, GRN monitoring, and inventory coordination in a regulated manufacturing environment.

EXPERIENCE

Assistant Mechanical Engineer

Jan 2026 – Present

Hunan Construction Engineering Group (HCEG)— Rajshahi WASA Surface Water Treatment Plant Project

- Coordinate with equipment manufacturers, consultants, and senior engineers to prepare, revise, and track technical/material submittals (pumps, valves, chlorination systems, crane etc.) for a large infrastructure project.
- Review vendor documentation against Employer's Requirements and international standards (BS, ISO, IEC), resolving consultant non-compliance comments, verifying spare parts/performance data, and maintaining accurate records across resubmission cycles.

Intern – Maintenance and Operations

Feb 2025 – May 2025

Heidelberg Materials Bangladesh PLC— Mukterpur, Munshiganj

- Rotated through maintenance, production, and quality control departments to gain comprehensive operational knowledge, utilizing SAP for equipment data management and supporting project execution.
- Analyzed quality control data and collaborated with cross-functional teams to prepare performance reports, identify inefficiencies, and enhance equipment reliability through data-driven improvements.

EDUCATION

BSc. in Mechanical Engineering

2021 – 2025

IUBAT — International University of Business Agriculture and Technology

CGPA: 3.90 out of 4.00

HSC— Science

2017 – 2019

Ibn Taimiya School and College

GPA: 4.50 out of 5.00

SSC— Science

2016 – 2017

Munshirhat High School

GPA: 4.09 out of 5.00

SKILLS

Analytical & Documentation

Data Analysis & Reporting Record Keeping Inventory & Material Process Optimization

Technical & Software

MS Office Suite (Excel, Word, PowerPoint) SOLIDWORKS AutoCAD

Interpersonal

Vendor & Cross-functional Coordination Team Collaboration Problem-Solving Communication

Languages

Bangla (Native) English (Fluent)

CERTIFICATIONS

Risk Management and Industrial Safety <i>Khalifa University (Coursera)</i> Credential ID: XYKIEIMDLFIA	June 2026
Renewable Energy <i>University of Colorado Boulder (Coursera)</i> Credential ID: EZSSNCP2PM3U	June 2026
Wind Energy <i>Technical University of Denmark (DTU) (Coursera)</i> Credential ID: Z3BSID5IDB25	June 2026
Autodesk Certified Professional: AutoCAD for Design and Drafting <i>Autodesk (Coursera)</i> Credential ID: FOE92N2S5Y9C	June 2026
CSWA– Certified SOLIDWORKS Associate <i>Dassault Systèmes</i> Credential ID: C-7CWAKR3PD6	Jan 2025

EXTRACURRICULAR ACTIVITIES

Researcher <i>NARP– Nayem's Association for Research & Publication</i>	March 2026 – Present
Co-media and Communication Secretary <i>ISME– IUBAT Society of Mechanical Engineers</i>	May 2022 – May 2023

PROJECT

TESLA TURBINE | Thesis– (IUBAT)

- Designed, fabricated, and experimentally tested a Tesla turbine prototype to evaluate torque, power, and efficiency under varying operating conditions, focusing on the influence of velocity, disk gap, and thickness.
- Performed CFD analysis in ANSYS to study flow behavior within the Tesla Turbine, validate design performance, and identify parameters influencing torque, efficiency, and velocity distribution.

PROFESSIONAL AFFILIATIONS

- American Society of Mechanical Engineers (ASME)
- Institution of Mechanical Engineers (IMechE)

SCHOLARSHIPS & AWARDS

- **Ahsanullah Scholarship**
Merit-based award for outstanding academic performance (Summer 2023)- IUBAT
- **Academic Excellence Award**
Recognized twice for top academic achievement (Fall 2022, and Fall 2023)- IUBAT
- **Photography Exhibition Recognition**
Two photographs selected for the National Photography Exhibition and Competition (2023)- Bangladesh Shilpakala Academy
